

TEXAS PUBLIC SCHOOLS WEEK

Texas Public Schools Week will be March 8 - March 12, 2010. The theme for this year is "*BUILDING LEADERS.*" *Today they learn, tomorrow they lead.*

We are planning on having our usual activities to try to get all our patrons involved in our schools. When your students write their invitations, they may invite more than one "buddy" to share breakfast with them.

Music teachers need to make the arrangements for the buses, risers, and sound equipment that will be needed for the performing groups. Music teachers need to contact Debby Simpson by Wednesday, February 24 with this information.
